RE: Advice No. WA CT 21-01 for CenturyTel of Washington, Inc. d/b/a CenturyLink

Dear Mr. Johnson:

Attached for filing are the following revisions to the CenturyTel of Washington, Inc. d/b/a CenturyLink WN U-3 Tariff, issued with a proposed effective date of August 1, 2021.

<u>Section</u>	<u>Sheet</u>
3	2nd Revised Sheet 10

This filing adds language related to Private Switch Automatic Location Identification Services previously provided on behalf of CenturyTel of Washington, Inc. by Qwest Corporation d/b/a CenturyLink QC. Specifically, language is added to designate that service provided by CenturyLink QC as grandfathered, with availability limited to currently existing customers. Under separate filing, tariff revisions were submitted on behalf of CenturyLink QC to grandfather the service.

Customers who are not subscribed to CenturyLink QC's PS/ALI service have the option of ordering PS/ALI from other service providers.

I, Marla Hazlett, in compliance with WAC 480-80-123, certify that I have authority to issue tariff revisions on behalf of Qwest Corporation d/b/a CenturyLink QC. If you have questions or need additional information regarding this filing, please feel free to email me.

Sincerely,

Marla Hazlett
