FACILITIES FOR INTRASTATE ACCESS

<p>1. <u>APPLICATION OF TARIFF</u></p>	<p>1.1 This tariff contains regulations, rates and charges applicable to Switched Access, Special Access, and Carrier Common Line Access or, in combination, as Facilities for Intrastate Access, hereinafter referred to as FIA, provided by ZiPLY Fiber Northwest, LLC d/b/a ZiPLY Fiber, hereinafter referred to as the Telephone Company, to InterLATA and IntraLATA customers, including, but not limited to, Interexchange Carriers (ICs), end users, and others subscribing to the services provided in this tariff. This tariff further provides for Miscellaneous Services. This tariff does not apply to other services offered by the Telephone Company.</p> <p>1.2 The provision of such service by the company as described in this tariff is specifically intended to provide exchange network access to customers as follows:</p> <p>(A) Interexchange Carriers, who provide service between Local Calling Areas, must purchase services from this tariff for their use in furnishing their authorized intrastate telecommunications services to end user customers, and for operational purposes directly related to the furnishing of such services;</p> <p>(B) Any customer, including but not limited to, Telecommunication Companies and/or Interexchange Carriers, may purchase services from this tariff for their own or administrative use, as specified in other sections of this tariff. Services provided for a customer's own or administrative use may be subject to the rates and charges of other tariffs of the Telephone Company.</p> <p>1.3 Regulations, rates and charges as specified in this tariff apply to FIA and shall not serve as a substitute for IC tariff offerings of services to end users. The provision of such FIA by the Telephone Company as described in this tariff does not constitute a joint undertaking with an IC for the furnishing of any service.</p> <p>1.4 The regulations and rates contained in Section 5, Special Access, apply to Intrastate-InterLATA and Intrastate-IntraLATA facilities. Regulations and rates for dedicated local Intraexchange Special Access Line (SAL) facilities and interoffice mileage established on or after the effective date of this tariff are also found in Section 5 of this tariff.</p>	<p>(T)</p>
