Item 160 -- Time Rates

When time rates apply. Time rates named in this Item apply:

- (a) When material must be taken to a special site for disposal;
- (b) When a company's equipment must wait at, or return to, a customer's site to provide scheduled service due to no disability, fault, or negligence on the part of the company. Actual waiting time or time taken in returning to the site will be charged for; or
- (c) When a customer orders a single, special, or emergency pickup, or when other items in this tariff refer to this Item .

How rates are recorded and charged. Time must be recorded and charged for to the nearest increment of 15 minutes. Time rates apply for the period from the time the company's vehicle leaves the company's terminal until it returns to the terminal , excluding interruptions. An interruption is a situation causing stoppage of service that is in the control of the company and not in the control of the customer. Examples include: coffee breaks, lunch breaks, breakdown of equipment, and similar occurrences.

Disposal fees in addition to time rates. Item 230 disposal fees for the specific disposal site or facility used will apply in addition to time rates.
