COMMISSION

Dear Amanda Maxwell,

The company is requesting to update their existing tariff. The company is adding a 1.5-inch meter rate to the tariff since they recently had a new customer with a 1.5-inch meter.

The new 1.5-inch meter rate will use commission meter factors for the upsize rate and usage blocks. No other rates are changing at this time.

We are asking for an effective date of January 6, 2022.
Please find attached Schedule No. 2 for meter rates, First Revision Sheet No. 21.

Sincerely,

Jason Miniken- Manager
Roche Harbor Water System, Inc
