## IMPORTANT NOTICE FOR PELICAN POINT WATER CO CUSTOMERS

Dear Customers,

In July 2021, a subsidiary of NW Natural Water Company, LLC ("NW Natural Water"), Cascadia Water, LLC ("Cascadia Water"), filed an application with the Washington Utilities and Transportation Commission ("UTC") to acquire the assets of Pelican Point Water Co ("Pelican Point"). This transfer was approved by the UTC and Pelican Point customers have officially joined the NW Natural Water family!

Pelican Point water system will continue to be operated locally with the oversight of another NW Natural Water subsidiary, Gem State Infrastructure. NW Natural Water expects that the transition will be seamless to customers. Pelican Point's current rates and charges will not change specific to this transaction and NW Natural Water will be required to notify all affected customers of any future rate increases.
