WATER SERVICE
RULES AND REGULATIONS

Rule 10 – Interruption to Service

The utility will make a diligent effort to render uninterrupted service and supply of water. In cases where shut-off is necessary for repair, reconstruction, damage prevention or similar cause, the utility will give advance notice to its customer of such scheduled shut-off. However, the utility will not be responsible for any damage that may result from any cessation of services such as above outlined, nor for failure to give notice of shut-off when circumstances are such that it is impossible to give notice as stated above.

Rule 11 – Bills / Late Payment Charge

All bills for domestic water service shall be paid monthly in arrears and are due and payable upon receipt and are considered delinquent no less than fifteen (15) days after the date mailed. All unmetered bills shall be paid monthly in arrears; all metered bills shall be paid monthly in arrears. Bills will be deemed received upon personal delivery to customer or three (3) days following the deposit of the bill in the United States mail to the customer's last known address. Where the meter has not been read, a minimum bill will be rendered and adjusted when the next succeeding meter reading is available. (T)

Bills are due and payable upon receipt. Bills are considered late 15 days after the bill mailing date. A Late Payment Charge as specified in **Schedule X** of the unpaid balance shall be added to each account for each month the bill is unpaid. The late payment charge will not be applied to any disputed amount unless such amount remains unpaid for more than 15 days after the dispute has been resolved.

In addition, the utility will comply with all provisions of the Commission's deposit rules, specifically, the WAC on Deposits.
