Subject: Rate Increase Notice

Dear Curt:

Due to increased operating costs, a rate increase is necessary. RCW 70.95.212 requires that we provide at a minimum the 75-day notification period. This letter serves as notice that your base disposal rates for waste delivered to the Greater Wenatchee Regional Landfill (GWRL) will be increased effective June 1, 2023. Please refer to the new rates on the following page.

If you have any questions concerning this rate increase, please contact me at 509-884-2802 or e-mail ekeogh@wm.com.

Sincerely,
Greater Wenatchee Regional Landfill and Recycling Center
