To: Seattle Express Customers

This is to notify you of a proposed fare adjustment for auto-transportation service provided by Seattle Express.

Seattle Express has filed a request with the Utilities and Transportation Commission (UTC) to adjust its base fares by approximately 45 percent. If approved by the Commission, new fares will become effective on June 30, 2023.

Commission staff will make a recommendation to the Commissioners at an open meeting scheduled for 9:30 a.m. on June 29, 2023. And the Commission has the authority to set rates higher or lower than the Company's request, depending on the results of its review.

If you wish to attend the Open Meeting, directions on how to do so may be found on the UTC website at <https://www.utc.wa.gov/documentsand-proceedings/open-meetings> or by calling (360) 664-1234. You can also provide comments on our filing by using the comment form at the Commission's website at [utc.wa.gov/comment](http://utc.wa.gov/comment) or by using the contact information below:
