Amanda Maxwell, Executive Director
Washington Utilities and Transportation Commission
621 Woodland Square Loop SE
Lacey, WA 98503

Dear Ms. Maxwell,

Please find enclosed a tariff revision to comply with the heat advisory mandate.

1. This is to add a section for disconnection of service guidelines regarding heat advisory conditions,
2. This filing is to comply with Engrossed Substitute House Bill 1329,
3. Oasis Water System Tariff Rule 14 (Discontinuance of Service), is extended with the recommended UTC language to comply with ESHB 1329,
4. This application applies to Oasis Water System Tariff Rule 14 (Discontinuance of Service),
5. This application is an extension to Oasis Water System Tariff Rule 14 (Discontinuance of Service),
6. This tariff addition will govern the discontinuance of service when a heat advisory has been issued by the National Weather Service. This addition to Oasis Water Tariff is mandated by Washington Engrossed Substitute House Bill 1329,
7. This addition to Oasis Water System Tariff Rule 14 (Discontinuance of Service) will not affect the rates of service,
8. This tariff modification is signed by Paul Christensen, President of Oasis Water Corporation who has the authority to submit this tariff revision on behalf of Oasis Water System.

Sincerely,

Paul Christensen, President
