Re: Washington Water Service Company –First Revised Sheet No. 28 Cancelling Original Sheet No. 28; Original Sheet No. 30.2; Original Sheet No. 31.3

Dear Ms. Maxwell:

The purpose of this filing is to adopt Stroh's Water's rates and incorporate them into the Washington Water Service Company tariff. The Commission approved the acquisition of the regulatory assets of Stroh's Water by Washington Water Service Company in its Order 01 in Docket UW-220614. The purpose of this filing is to complete the transaction.

The acquisition closed on July 17, 2023. Schedule 28 adds the Stroh's Water system to the list of systems served by Washington Water Service Company. The existing tariff rates of Stroh's Water are then incorporated into WWSC's tariff through sheets 30.2 and 31.3.

This move is transparent to the customers since the rates are not changing.

Thank you for your attention to this matter. Any questions should be addressed to the undersigned.

Sincerely,  

RICHARD A. FINNIGAN
