Via email: Heather.Bucher@wasteconnections.com

Dear Heather:

Thank you for your business. We would like to express our appreciation for allowing us to manage your environmental service needs. Republic Services is dedicated to service excellence and our mission is to exceed our customers' highest expectations.

A rate adjustment, effective July 1, 2023, was granted by Klickitat County in their Addendum 6.

5. SELF-DISPOSAL PROVISION AMENDED. Agreement Section 20.4 is hereby amended to read as follows:

20.4 Self-Disposal. The citizens of Klickitat County shall have the opportunity to deliver Municipal Solid Waste to any of the Transfer Stations described in Section 21.2 of this Agreement. Contractor was previously authorized by County to charge citizens a minimum gate fee ("Minimum Gate Fee") for handling of the Municipal Solid Waste. On July 1, 2023, the Minimum Gate Fee and the cubic yard fee will increase by \$1.25.

The decision was made to have this adjustment go into effect on August 1, 2023. This adjustment will be an increase from \$5.00 per yard to \$6.25 per yard, with a handling fee of \$1.82 per load.
