**RE: Advice No. 2023-45
Puget Sound Energy’s Electric Tariff Revision**

Dear Executive Director Hunter:

Pursuant to RCW 80.28.060 and WAC 480-80-101 and -105, please find enclosed for filing the following proposed revision to the WN U-60, tariff for electric service of Puget Sound Energy (“PSE” or the “Company”):

1 st Revision	Sheet No. 129D-B	Bill Discount Rate Rider (Continued)
--------------------------	------------------	--------------------------------------

The purpose of this filing is to correct a scrivener’s error in the Monthly Rate section for Schedules 448, 449, 458 & 459. In addition to the monthly per kWh rates for Primary Voltage and High Voltage, an additional line item for a Customer Charge was inadvertently included. There is no rate on the tariff sheet associated with a Customer Charge. This Schedule 129D rate has been correctly implemented consistent with the intention of the original filing and associated work papers, despite the typographical error on the tariff sheet.

The tariff sheet described herein reflects an issue date of October 4, 2023, and an effective date of November 4, 2024. Posting of proposed tariff changes, as required by law and the Commission’s rules and regulations, is being completed through web, telephone and mail access in accordance with WAC 480-100-193.

Please contact Veronica Martin at veronica.martin@pse.com for additional information about this filing. If you have any other questions, please contact me at (425) 462-3946.

Kathy Hunter, Acting Executive Director and Secretary
