RE: Camano Hills Water Company- New Original Sheet No. 11.1

Dear Ms. Hunter,

Please find enclosed our new Tariff sheet to clarify with the reconnection rules for an excessive heat warning, a heat advisory, an excessive heat watch, or similar alert made by the National Weather Services under Engrossed Substitute House Bill 1329 as required by the Commission. The new tariff sheet updates the disconnection of service provisions to reflect the current Commission rule.
