Re: Review Committee Decision – Complaint Cases 24-016 and 24-040
NW Natural Gas vs. U S Construction

Dear Mr. Killip:

The Washington State Dig Law Safety Committee (committee) received two complaints filed by NW Natural Gas against U S Construction regarding three potential violations of the Washington State Dig Law RCW 19.122.030.

On June 13, 2024, the committee formed a peer review board and reviewed Complaint Cases 24-016 and 24-040.

The peer review board determined that the respondent U S Construction violated RCW 19.122.030(2) three times for failure to provide notice to a one-number locator service not less than two business days before the scheduled excavation date.

Therefore, the committee recommends a total penalty of \$11,000 be assessed to the respondent as follows:

- \$1,000 for one violation of RCW 19.122.030(2) that occurred on March 13, 2024, at 835 SE 35th St, Battle Ground, WA
- \$5,000 for one violation of RCW 19.122.030(2) that occurred on April 30, 2024, at 17601 NW 7th Ave, Ridgefield, WA
- \$5,000 for one violation of RCW 19.122.030(2) that occurred on April 30, 2024, at 17539 NW 7th Ave, Ridgefield, WA

Additionally, the committee recommends a deferral opportunity be offered to suspend \$8,000 of the \$11,000 total, based on the conditions management and project leads involved in excavation take NUCA Dig Safe Training and incur no additional violations of RCW 19.122 within the next 12 months.

Please let me know if you have any questions regarding this recommendation. You may contact me at 206-794-9823.

Sincerely,

Jim Walton, Chair
