**SCHEDULE 611  
RESIDENTIAL BATTERY ENERGY STORAGE  
SYSTEM SERVICES**

**AVAILABILITY:** Throughout any territory served by the Company, this optional residential Schedule is to make available electric residential Battery Energy Storage System ("BESS") services to certain Customers as prescribed in this Schedule and subject to the following conditions:

- A. Service under this Schedule is available to a Customer eligible to receive Electric Services under Schedule 7 and under a Schedule 8 account within the same property parcel.
- B. A Customer taking Electric Service under Schedules 307, 317 or 327 or participating in the optional metering service of Schedule 171 will not be eligible for this Schedule. (C)
- C. Services under this Schedule are available to an individually metered single-family Residential Customer, provided that the Company determines, to its satisfaction, that metering and communication equipment at the Customer's BESS site is adequate to implement the service under this Schedule for the Customer.
- D. A Customer shall be eligible for this Schedule following the receipt and acceptance by the Company from the Customer of necessary documentation.
- E. Services under this Schedule will be available for enrollment on or after January 1, 2024.

**DEFINITIONS:**

- A. **BESS** means a battery energy storage system that is owned, or whose electrical output is owned, by the interconnection Customer that is located on the interconnection Customer's side of the point of common coupling, and all ancillary and appurtenant facilities, including interconnection facilities, which the interconnection Customer requests to interconnect to the electric system.
- B. **Designated Third Party** means the Company's designated agent or third party to initiate and dispatch a BESS Event or Dispatch Event.
- C. **Dispatch Event or Event** means an event dispatched by the Company whereby the Company or Designated Third Party is called upon to discharge or charge a Customer's BESS.
