RE: *Clark County Comprehensive Solid Waste Management Plan – 2025 – 2030*

Dear Jeff Killip, Executive Director and Secretary:

The Department of Ecology (Ecology) received Clark County's Preliminary Draft Comprehensive Solid Waste Management Plan (Plan) and a formal request for review of the Plan on June 28, 2024. Today, I am providing you with their Plan and requesting UTC review of the Plan. You may access the Plan via this online folder in Box: <https://app.box.com/s/8ihgd7z9b8c46a5vjcxgzx76ee5qenyr>.

Per the Revised Code of Washington (RCW) [70A.205.065](#), Ecology is to provide the UTC with a copy of any Preliminary Draft Local Comprehensive Solid Waste Management Plan immediately upon receipt. The UTC shall then review the Plan's assessment of solid waste collection cost impacts on rates charged by solid waste collection companies regulated under chapter [81.77](#) RCW and advise the submitting entity and Ecology of the probable effect of the plan's recommendations on those rates. The contact information for Clark County and for Ecology are below:
