MEMBERS NOTIFIED

- Locates were called in 5/24/24 11:01 am
- Work begin date 5/30/24
- Locates paint was put down 6/10, 11 days past the work to begin date.
- White Paint marks cannot be confirmed or denied due to the late nature of the ticket and proceeding weather and landscaping activities.
- ELM documented phone calls to the primary phone number (below).
- The fence company states they have no record of receiving voice mail messages from the tech.

- There is no evidence that the secondary phone number was used by ELM to reach the company.
- PSE has no information that the building owner or fence company reached out to inquire about power structures and easements on the property despite multiple above ground switch gear and concrete vault lids visible.
