Subject: Waste Management of Spokane, a division of Waste Management of Washington, Inc. (G-237); Tariff # 18

Dear Mr. Killip:

Enclosed are revised pages 2 and 26 to the above-referenced tariff. The purpose of this filing relates to the recently approved TG-240543 docket that approved the new commodity rebate. The recycle compactor rebate rate was not updated in those tariff pages and this filing seeks to correct the tariff pages. The previous rate was a commodity charge of \$1.17/month, and the new rate will be a rebate of \$2.04/month for a total decrease of \$3.21/month. I am submitting this filing with an LSN to make the effective date September 1 to align with the other commodity rebate changes. Currently, we only have one customer that would be impacted by this new rate.
