Dear Valued Customer,

This letter is to inform you that as of February 1, 2025 our rates for solid waste disposal services will be increasing. Unfortunately, we have not been immune to inflationary pressures of the past five years. We have seen dramatic increases in costs of equipment including containers, trucks and general repairs. Fuel and labor increases have also had a substantial impact on operating costs.

Revised pricing for our most popular services as follows:

Residential containers:

1 can service – \$21.34

65 gallon cart – \$31.40

96 gallon cart – \$40.06

Commercial containers:

		Size or Type of Container					
Permanent Service		1 Yard	1.5 Yard	2 Yard	3 Yard	4 Yard	6 Yard
Monthly Rent (if applicable)		\$ 12.76	\$ 14.26	\$ 16.52	\$ 22.52	\$ 30.03	\$ 37.53
First Pickup		\$ 18.72	\$ 27.66	\$ 36.56	\$ 53.91	\$ 55.98	\$ 74.94
Each Additional Pickup		\$ 18.72	\$ 27.66	\$ 36.56	\$ 53.91	\$ 55.98	\$ 74.94
Special Pickups		\$ 20.79	\$ 29.32	\$ 38.23	\$ 55.68	\$ 57.75	\$ 76.12

The team at Sunrise Disposal values every customer. We work hard to keep our costs down. This is our first substantial rate increase in over a decade. We just could not continue to absorb the increases we have seen.

If you would like further information on our rates, please see our regulated tariff here at www.utc.wa.gov, under Solid Waste Companies and Tariffs. We are G-201 for Sunrise Disposal, Inc.

Thank you,
