

CITY OF MESA
Ordinance number 24-05

THE CITY COUNCIL OF THE CITY OF MESA, WASHINGTON DOES NOW ENACT AS FOLLOWS:

Section 1: The City of Mesa, pursuant to RCW 81.77.020 and RCW 81.77.0201, being fully advised in the premises, does hereby cancel, effective December 3, 2024, that certain solid waste collection contract with Basin Disposal, Inc effective November 2, 2017, pursuant to Section 10.9 of that Contract. Basin Disposal, Inc. as the current contract provider of solid waste collection services to the City of Mesa fully concurs in this cancellation and mutual rescission of the Contract.

This action is premised upon the City of Mesa reversing its previous decision to exercise jurisdiction and opting instead to be subject to the regulation of solid waste collection services in the City through the oversight, jurisdiction and control of the Washington Utilities and Transportation Commission ("the Commission") as authorized by law, specifically RCW 81.77.0201. The effect of this action is that Basin Disposal, Inc. will continue to provide services pursuant to the laws and rules of the Commission as a regulated solid waste collection company in the city of Mesa. If required, the City Clerk is authorized to communicate the City's formal notification and determination to revert to the jurisdiction of the Commission and is directed to take any further steps consistent with this decision.

Section 2: If any section, subsection, paragraph, sentence, clause or phrase in this ordinance is subsequently declared invalid or unconstitutional for any reason, such decision shall not affect the validity and enforceability of the remaining parts of this ordinance.

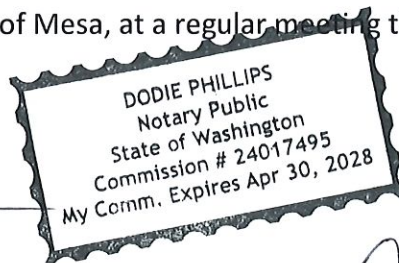

Section 3: A summary of this ordinance consisting of its title shall be published in the official newspaper of the City of Mesa and shall take full effect five (5) days after the date of the publication.

PASSED by the City Council of the City of Mesa, at a regular meeting this 21st day of November 2024.
