Subject: Waste Management of Spokane, a division of Waste Management of Washington, Inc.(G-237);
Tariff #18

Dear Mr. Killip:

Enclosed, please find revised tariff pages for the above referenced tariff. This revision includes a correction to our previously approved revision from TG-240926. That revision reduced disposal rates that were increased and approved in TG-240125 in April 2024. I am also including an LSN as this filing is a correction of previously approved rates.

If you have any questions or need additional information, please contact me at (503) 956-8594.

Very truly yours,

Evan Burmester
