Re: Schedule 231 – Temporary Adjustments to Rates for Residential Bill Discount Program – Housekeeping

Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), files herewith the following housekeeping revision to its Tariff WN U-6, stated to become effective March 1, 2025.

Second Revision of Sheet 231.1	Schedule 231	Temporary Adjustments to Rates for Residential Bill Discount Program
--------------------------------	--------------	--

Purpose

The purpose of this filing is to make a housekeeping revision to correct tariff Sheet 231.1 due to a typographical error.

Proposed Housekeeping Change

In Advice No. 24-15 (UG-240881), NW Natural inadvertently included a version of Sheet 231.1 that erroneously reflected the incorrect adjustment rates. This was due to a transposition error when creating the tariff sheet, impacting schedules 42CTF, 42ITF, 42CTI, and 42ITI. The adjustment rates in Exhibit A included with the original filing in UG 240881 reflect the correct rates for these schedules.

This housekeeping change only impacts Schedule 231, with all of NW Natural's primary rate Schedules 1, 2, 3, 27, 41, and 42 all reflecting the correct billing rates, including the correct rates for Schedule 231 reflected in the total Temporary Adjustment rate for each Schedule included in the December 18, 2024 compliance filing in docket UG-240881, for which the Commission issued a Compliance Acknowledgment Letter on December 24, 2024.

Further, NW Natural has confirmed that the Company's billing system reflects the correct rates as shown in the attached revised Schedule 231. No customer bills have or will be affected by this housekeeping change.

Conclusion

NW Natural respectfully requests that the Commission approve this housekeeping tariff change to become effective March 1, 2025.

In accordance with WAC 480-90-193 and WAC 480-90-195(3), copies of this letter and the attached filing are available in the Company's main office in Portland, Oregon, and on its website at www.nwnatural.com.

As requested by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.

For the purposes of establishing a service list for this docket, and for any questions, please address correspondence on this matter to me with copies to the following:
