RE: Water and Wastewater Charges for Installing New Water Hookup and New Meter for parcel 32041200300400

Dear Thierry and Sarah Pinguet,

The approximate cost of the new water hookup and meter install with setter already in place will be:

	Time	Per Hour	Total
Water Main Inspection	4 Hours	\$85.00	\$ 340.00
During Construction			
Water Meter Installation	9 Hour	\$85.00	\$ 765.00
Total			\$1,105.00

This is in addition to the cost of excavation, possible road crossing, tapping the main, etc.

Thank you,
