Section 11 – Additional Information

Provide any additional information supporting the public safety need for the proposal, including project-specific information such as the public benefits that would be derived from constructing a new crossing as proposed.

Crossing allows the museum to move rail cars from the Washington Eastern RR mainline onto Inland Northwest Rail Museum property.

Section 12 – Cost Apportionment

If the commission approves the construction of the crossing requested in this petition, it will apportion costs in accordance with the applicable statutes. (RCW 81.53.130 and 81.53.271).

In the alternative, if the parties to this petition have reached an agreement related to apportionment of costs, please sign here to confirm:
