RE: Tariff Revision, Tariff Number 13, Revised Tariff, Tariff Correction to TG-250667, Columbia River Disposal, Inc.,
Certificate Number G-51

Dear Mr. Killip:

Attached please find revised pages for Tariff Number 13, Columbia River Disposal, Inc. G-51.

On September 25th, 2025 the Commission approved docket TG-250667 for B&O Tax increase. Since the approval the Company discovered that the 4 yard initial delivery rate on Item 240 and the mileage rate on Item 260 were overstated. This filing is correcting the error on the Tariff to the agreed upon rate between the Company and Staff.

The last general rate increase approved by the Commission became effective April 1, 2018.

Attached are the proposed tariff pages containing the increased rates, as well as supporting documentation for those changes. If these rates are approved by the Washington Utilities and Transportation Commission they are intended to become effective on October 24, 2025.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276 for customer notification. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on October 24, 2025. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 448-6954, or at brian.vandenburg@wasteconnections.com.

Sincerely,

Brian Vandenburg
