for Classification as a Competitive)	ORDER GRANTING PETITION
Telecommunications Company.)	
.....)	

By petition filed May 31, 1996, TTI National, Inc., seeks classification in Docket No. UT- 960726 as a competitive telecommunications company pursuant to RCW 80.36.320 and WAC 480-120-023. TTI National, Inc., is registered as a telecommunications company providing a full range of interexchange services, including MTS, WATS, 800 and calling card services in the state of Washington. In support of its petition, TTI National, Inc., alleges inter alia that its services compete with other interexchange carriers' telecommunications services. The company filed written testimony in support of competitive classification, which accompanied its petition.

In conjunction with classification, the company is seeking waiver of the requirements of various provisions of chapter 80.36 RCW (Telecommunications) and chapter 480-120 WAC.

The company is also seeking waiver of:

- RCW 80.04.300 Budgets to be filed by companies--supplementary budgets;
- RCW 80.04.320 Budget rules;
- RCW 80.36.100 Tariff schedules to be filed and open to public;
- RCW 80.36.110 Tariff changes--Statutory notice--Exception;
- chapter 80.08 RCW Securities;
- chapter 80.12 RCW Transfers of property;
- chapter 80.16 RCW Affiliated interests;
- chapters 480-80, 480-140, 480-143, and 480-146 WAC;
- WAC 480-120-026 Tariffs;
- WAC 480-120-032 Accounting--Political information and political education activities;
- WAC 480-120-036 Finance--Securities, affiliated interest, transfer of property;
- WAC 480-120-046 Services offered;
- WAC 480-120-131 Reports of accidents.
- RCW 80.36.150 Contracts.

In addition, the Commission on its own motion will consider waiver of:

- RCW 80.04.310 Commission's control over expenditures;
- RCW 80.04.330 Effect of unauthorized expenditure--emergencies;
- RCW 80.04.360 Earnings in excess of reasonable rate--consideration in fixing rates;
- RCW 80.04.460 Investigation of accidents;

RCW 80.04.520 Lease of utility facilities;
WAC 480-120-031 Accounting.

On its own motion, the Commission determined that on the face of the petition no substantial issues of controversy were presented, and invoked the provisions of WAC 480-09-520, Formal investigation and fact-finding. A Notice of Formal Investigation and Fact-Finding was issued on May 23, 1997. In that notice the Commission directed interested persons seeking to intervene to file a written petition to intervene not later than June 23, 1997. All interested persons were advised that, pursuant to WAC 480-09-520, no hearing was contemplated other than possible hearings for public testimony. No petitions for intervention were filed and no public hearings were necessary to develop the facts relevant to the proceeding.

Rules invoked include those within chapter 480-09 WAC, specifically WAC 480-09-520 and WAC 480-120-022, WAC 480-120-023, WAC 480-120-024, and WAC 480-120-025. Statutes invoked include RCW 80.36.145 and 80.36.320. The ultimate issues are whether TTI National, Inc., should be classified as a competitive telecommunications company, and the extent to which it should be relieved of regulatory requirements to which it would otherwise be subject.

Based upon the entire record and the file in this matter, the Commission makes the following findings of fact and conclusions of law.
