Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff #14

Dear Mr. Killip:

Enclosed are revised tariff pages 2 and 33 to the above mentioned tariff. These tariff changes add a new disposal facility to our tariff for industrial customers. This facility will be utilized for customers nearby to save on the mileage charge going to further facilities further away. As such, I believe the minimum required notice for the this change is 7 days, as customers rates will decrease. The proposed changes are requested to be effective December 1, 2025.

If you have any questions or need additional information, please contact me at (503) 956-8594.

Very truly yours,

Evan Burmester
