Description	<p>Dear WUTC Commission Members,</p> <p>I request a suspension in the requested rate increase for Rosario Utilities, L.L.C. I am personally concerned about the commingling of resort and residential costs at Rosario. Rosario water users have traditionally been good at finding accommodation with the utility providing our water. The proposed rate increase of 62% is too high for operating needs plus profit. The apparent conceit for the radical increase is to raise receipts as much as possible in one fell swoop.</p> <p>Time is needed for a reasoned examination of actual utility costs. Users are not opposed to an increase- just to an increase of an unjustified amount.</p> <p>Please suspend the proposed increase until further investigation is completed.</p> <p>Thank you, David S. Alexander [REDACTED] Rosario [REDACTED]</p>
