**Re: Docket No. UT-073032**

Dear Ms. Washburn:

Attached please find an original and 10 copies of Sprint Nextel's Corrected Exhibit A to its Petition to Amend ETC Designation. This corrected exhibit is being filed to correct certain of the exchange names identified in the original exhibit. As set forth in the original Exhibit A, Sprint Nextel identified the name of the rate center, rather than the name of the exchange in certain instances. The exhibit has been corrected to identify the correct exchange name associated with each wire center code (CLLI code). In addition, although Sprint Nextel was previously designated throughout the Yelm exchange to enable the company to receive universal service support for customers residing in the Bald Hills portion of the exchange, it is necessary for the Commission to include in its order the CLLI code for the wire center that corresponds to that portion of the exchange (i.e., YELMWAXB).

The attached information is not confidential. Thank you for your courtesy in this matter.

Sincerely,

  
Kristin L. Jacobson
