RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc.*, Docket UG-131589

TO INTERESTED PERSONS:

On November 14, 2013, the Washington Utilities and Transportation Commission (Commission) scheduled a workshop for December 16, 2013, at 9:30 a.m., to address various issues raised by tariff revisions filed by Puget Sound Energy, Inc. (PSE). Specifically, PSE proposes an optional service to install gas compression facilities for eligible, non-residential natural gas customers on the customer's premises to enable fueling of natural gas vehicles with compressed natural gas.

In an effort to facilitate maximum discussion, the Commission will begin the workshop one half hour earlier at 9:00 a.m.

**THE COMMISSION GIVES NOTICE That the workshop scheduled for December 16, 2013, will now commence at 9:00 a.m.**
