IV. If the Commission should grant this Petition to Intervene, FEA shall waive service of process by means of personal delivery, United States mail, and parcel delivery service pursuant to WAC 480-07-150 (5) for all paper documents that are available in complete form by electronic means, provided that such documents are delivered electronically to the e-mail addresses (or by electronic media such as compact disk to the mailing addresses) set forth in Paragraphs II and III of this Petition.

V. FEA maintains military installations and civilian activities within the State of Washington that receive electrical service from Petitioner Puget Sound Energy ("PSE"). As a large user of electrical service provided by PSE, the FEA has a significant interest in this proceeding and would be substantially affected by its outcome. No other party can adequately represent FEA's interest. FEA's participation can assist in the development of a sound record and is not expected unduly to broaden the issues or delay the proceedings.

VI. FEA wishes to reserve the ability to submit written testimony and exhibits in this hearing. FEA anticipates it will cross-examine witnesses called by other parties and submit written arguments and/or motions.

WHEREFORE, the FEDERAL EXECUTIVE AGENCIES seek leave to intervene and to be treated as a party to this proceeding.

Respectfully submitted,

DATED: August 6, 2014
