Subject: Waste Management of Washington, Inc. d/b/a Waste Management – North Sound and
Waste Management – Marysville (G-237) TG-151287

This letter is to request the Commission remove the filing made in the above-entitled docket that was submitted last week. The filing is being withdrawn due to the possible government shutdown that may take place on July 1 if the Washington State Legislature has not approved the state operating and capital budgets for the 2015-2017 biennium. The company intends to resubmit the filing as soon as the budgets are approved by the legislature. We therefore respectfully ask the records center to return all the filing documents.

Thank you for your consideration. If you have any questions or need additional information, please contact me at:
