RE: Tariff Submittal, Tariff Number 23, for Murrey's Disposal Co., Inc./Olympic Disposal, G-9.

Dear Ms. Killip:

Our Company was notified by Jefferson County on November 12, 2024 that the County will no longer be collecting glass as part of its recycling program. As of December 6, 2024 no glass will be accepted or stored at the County's recycling center. The Company is filing revised Tariff pages to reflect this change.

No rates are being changed with this filing.

Attached are revised tariff pages and supporting documentation containing the revised rates. We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276 for customer notifications and effective date to match the County schedule. If the Tariff Pages are approved by the Washington Utilities and Transportation Commission, they will become effective December 6, 2024. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of the tariff change on the first billing.

If you have any questions regarding this filing, please contact me at (360) 566-6925, via email at Brian.vandenburg@wasteconnections.com.

Sincerely,

Brian Vandenburg
