Complainants,

Respondent.

DOCKET NO. UE-001952 (consolidated)

In re: Petition of Puget Sound Energy, Inc. for an Order Reallocating Lost Revenues Related to any Reduction in the Schedule 48 or G-P Special Contract Rates

DOCKET NO. UE-001959 (consolidated)

NINTH SUPPLEMENTAL ORDER: GRANTING PETITION TO INTERVENE OUT OF TIME

1 PROCEEDINGS: Air Liquide, et al. filed their original Formal Complaint Requesting Emergency Adjudicative Proceeding in Docket No. UE-001952 on December 12, 2000. Complainants filed an Amended Complaint on December 18, 2000, and a Second Amended Complaint on December 28, 2000. PSE filed its Petition in Docket No. UE-001959 on December 13, 2000. PSE filed its Answer to the first Amended Complaint on January 2, 2001.

2 The Commission, after hearing, found and concluded that Schedule 48 and the Special Contract, which include retail rates that are pegged via Mid-Columbia index pricing to Western wholesale power markets that are volatile and exceedingly high, are not fair, just, and reasonable because, under current conditions, customers do not have effective options to achieve price stability and reasonable rates under the

Robert D. Cedarbaum and Donald Trotter, Assistant Attorneys General, Olympia, Washington, represent the Commission's regulatory staff (Staff).

5 **LATE-FILED PETITION TO INTERVENE:** On February 15, 2001, King County Washington petitioned for leave to intervene out of time. King County certified service of its Petition on February 20, 2001. The County is a customer of PSE under Schedule 48, which is central to the subject matter of this proceeding. King County's petition states that its interest in participating in this proceeding matured in light of ongoing settlement discussions among the parties. The County states that it will consider becoming a signatory to a settlement agreement, and states that it does not intend to broaden the issues. Staff and Public Counsel filed letters on February 23, 2001, stating that they do not oppose late intervention by King County. No party filed to oppose King County's petition.

6 **DISPOSITION:** The Commission determines that King County has demonstrated an interest in this proceeding, has established good cause for its late filing, and that its participation would be in the public interest. In short, King County's petition is well-taken under the circumstances and should be granted.

ORDER

7 THE COMMISSION ORDERS That the Petition To Intervene Out of Time of King County is granted.

8 THE COMMISSION ORDERS FURTHER That King County will take the record as it is found on this date and will not be permitted to broaden the issues in this proceeding.

DATED at Olympia, Washington, and effective this 6th day of March, 2001.
