RE: Docket No. UT-131949  
CenturyLink QC Washington *Confidential* Performance Assurance Plan Compliance Filing

Dear Mr. King:

Pursuant to new requirements in the decision on Docket No. UT-131949, approving Qwest Corporation d/b/a CenturyLink QC's Petition to modify the Performance Assurance Plan and Performance Indicator Definitions, CenturyLink is supplying the following confidential reports to the Commission:

**Confidential Reports:**

Clec\_271\_exhibit(14\_state\_pid)\_excel\_all\_wa\_jun15.xls - Individual CLEC performance report for payment-eligible and diagnostic PIDs

P271\_PAP\_SUMST\_WA\_jun2015.xls - Individual CLEC payment report for payment-eligible PIDs with payments

The confidential files are protected under WAC 480-07-160 as they contain CLEC-specific information that is competitively sensitive. Also included is a redacted version of the files with confidential information removed.

The WUTC records center has agreed that no paper filing is required in this docket as it has historically only been filed electronically due to larger size documents. Lisa Wyse confirmed no paper copy is required.

Please let me know if you have any questions about this information.

Sincerely,

For Mark S. Reynolds
