Re: In the matter of *WUTC v. Cascade Natural Gas Corporation*
Docket No. UG-060256

Dear Judge Rendahl:

Enclosed is a mark-up of page 2 of the Exhibit List you distributed to the parties. Under cross-examination exhibits, I have listed the four exhibits I propose to use during my inquiry of Cascade witness John Stolz. Consistent with our earlier discussion, three of the exhibits include multiple data responses from Cascade to CMS. I note that one of these four exhibits contains clearly market confidential information, covered by the protective order in these proceedings.

An original and eight copies of each CMS cross-exhibit is being submitted via overnight mail to the Commission. These exhibits will be hand-served on the parties at the hearing.

Thank you.

Very truly yours,

Davis Wright Tremaine LLP
