Re: WUTC v. PacifiCorp d/b/a Pacific Power & Light Company
**Dockets UE-191024, UE-190750, UE-190929,
UE-190981, and UE-180778 (Consolidated)**

Dear Mr. Johnson:

As a party in the above-referenced proceeding, Packaging Corporation of America (“PCA”) files this letter of acceptance in accordance with the Washington Utilities and Transportation Commission’s (“Commission”) Final Order 09/07/12 (“Final Order”) in the above referenced dockets published December 14, 2020. According to the Commission’s Final Order, all parties must notify the Commission “whether each accepts the conditions of approval set by this Order”^{1/}

The Commission places two conditions of approval on the Settlement in Docket No. UE-191024 et al. First, the Commission requires “certain annual reporting related to the [excess deferred income tax (“EDIT”)] included in base rates until the deferred EDIT balances have fully amortized.”^{2/} Second, the Commission requires “certain reporting for the inclusion of the [time of use] pilot programs in the decoupling mechanism.”^{3/} PCA accepts the conditions of approval set by the Final Order.

Thank you for your assistance. If you have any questions, please do not hesitate to call.

Sincerely,

^{1/} Docket Nos. UE-191024, UE-190750, UE-190929, UE-190981, and UE-180778, Final Order 09/07/12, at 4 (Dec. 14, 2020).
