Mr. Steven King, Executive Director and Secretary
Washington Utilities and Transportation Commission
1300 S. Evergreen Park Drive, SW
Olympia, WA 98504

**Re: Washington Utilities & Transportation Commission v. Puget Sound Energy
Docket Nos. UE-151871 and UG-151872**

Dear Mr. King:

Enclosed for filing pursuant to WAC 480-07-460 (1)(b)(i)(iii) and (iv), please find the originals of the following corrections to Puget Sound Energy's ("PSE") prefiled direct testimony and exhibits originally filed on February 25, 2016:

- (1) Revised pages 1 and 2 of the Prefiled Direct Testimony of Malcom B. McCulloch, Exhibit No. ___(MBM-1T)
- (2) Revised page 2 to Exhibit No. ___(MBM-6), the Fifth Exhibit to the Prefiled Direct Testimony of Malcolm B. McCulloch;
- (3) Revised Table of Contents and pages 9 and 10 of the Prefiled Direct Testimony of Eric E. Englert, Exhibit No. ___(EEE-1T);
- (4) Revised pages 2, 22, 23, 24, 25, 26, 27, 28, 29 and 30 of the Prefiled Direct Testimony of Dr. Ahmad Faruqui, Exhibit No. ___(AF -1T); and
- (5) Certificate of Service.

In reviewing the prefiled direct testimony and exhibits, PSE identified the need to make substantive and minor corrections. With respect to the substantive corrections, parties were advised in data request responses that PSE would correct the energy savings set forth in Dr. Faruqui's testimony. The revised calculations in Dr. Faruqui's testimony correct mistakes of facts. The calculations were based on facts inadvertently misreported to Dr. Faruqui by PSE as set forth below:

- In the revised testimony, the energy savings for a Gas Furnace (95% AFUE) decreased from 119 therms to 110 therms per unit year. The 119 therms savings figure in the

Mr. Steven King

original testimony was associated with a natural gas Energy Star boiler, not a Gas Furnace (95% AFUE).

- In the revised testimony, the energy savings for an Electric Water Heater (> .95 EF) has been decreased to 0 kWh/unit-year, resulting from removal of the rebate associated to this equipment under PSE's 2016-2017 Biannual Conservation Plan, which was approved in Order 01, Docket No UE-152058 on December 17, 2015. This change was not accounted for in the Public Benefits Model prior to the filing of the Prefiled Direct testimony of Ahmad Faruqui Ph.D.

If you have any questions, please contact either the undersigned at (425) 635-1422 or David Steele at (425) 635-1633.

Very truly yours,

Sheree S. Carson
