AT&T Communications of the Pacific Northwest, Inc. and AT&T Local Services on behalf of TCG Seattle and TCG Oregon (collectively "AT&T") on behalf of the Competitive Local Exchange Carriers ("CLECs") shown on the attached list, hereby submit, **Attachment A**, the CLEC Disputed Issues List ("List"). AT&T submits this list in lieu of a joint filing between all the parties because there simply wasn't sufficient time for the CLECs to review the list proffered by Verizon Northwest, Inc. ("Verizon") and come to agreement on Verizon's list and characterization the issues.

The CLEC List does, however, include, where not duplicative, the issues identified in the list given to the CLECs by Verizon. Further, the CLEC List excludes the summary characterizations included on Verizon's list as those may or may not in any given instance accurately reflect the issue. Because the CLECs believe Attachment A best reflects the collection of issues without duplication and controversy, they ask that the Commission accept and employ this list in this proceeding.

Respectfully submitted this 19th day of November, 2004.
