NOTICE CANCELING FACILITATED DISCOVERY CONFERENCE

RE: *Washington Utilities and Transportation Commission v. Puget Sound Pilots*,
Docket TP-220513

TO ALL INTERESTED PERSONS:

On June 29, 2022, Puget Sound Pilots (PSP) filed with the Washington Utilities and Transportation Commission (Commission) proposed revisions to its currently effective Pilotage Tariff No. 1. PSP characterizes this filing as a general rate case.

On July 15, 2022, the Commission entered Order 01, Complaint and Order Suspending Tariff Revisions. The Commission suspended the operation of PSP's tariff revisions and initiated an adjudication in this proceeding.

On August 26, 2022, the Commission entered Order 03, Prehearing Conference Order; Notice of Hearing (Order 03). Order 03 established the procedural schedule for this proceeding including, at the parties' request, a facilitated discovery conference on September 14, 2022. On August 30, 2022, the Commission issued a Notice setting the time for the conference from 9:30 a.m. to 12 p.m. on that date. The Notice required parties to identify which of the purposes listed in WAC 480-07-415(2) they anticipated the need to use in the facilitated discovery conference.

After reviewing the parties' responses, the Commission has determined that none of the purposes raised to be addressed in the facilitated discovery conference were appropriate under WAC 480-07-415(2) and that those issues would be better addressed through the settlement process. The Commission therefore finds good cause to cancel the facilitated discovery conference.

THE COMMISSION GIVE NOTICE That the facilitated discovery conference scheduled for September 14, 2022, in Docket TP-220513, is canceled.

AMANDA MAXWELL
Executive Director and Secretary
