Re: Washington Utilities and Transportation Commission v. Puget Sound Energy  
Dockets UE-170033 and UG-170034 (*Consolidated*)

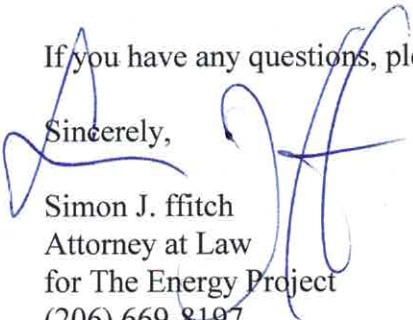

Dear Mr. King:

Enclosed for filing in the above-referenced dockets are eleven (11) copies of The Energy Project's proposed cross-examination exhibit for Staff witness Jason Ball, consisting of the Staff Response to The Energy Project Data Request No. 10 (Exh. JLB \_\_). This was identified as a placeholder in our initial August 24 filing, but the response was not received until Friday, August 25.

In addition, we are electronically re-filing through the UTC Web Portal the proposed cross-examination exhibits of Suzanne M. Sasville. Technical issues caused these to be inadvertently omitted from the August 24 Portal filing. The Energy Project electronically served these exhibits on August 24, 2017 to Administrative Law Judge Rayne Pearson and filed paper copies with UTC.

If you have any questions, please do not hesitate to contact me. Thank you.

Sincerely,

Simon J. ffitch
