**Subject:** dumpsters hauling

Charlie / Kris

Wanted to let you know that Kasey has communicated they are filling dumpsters so I would like for BDI to start making runs to haul the filled dumpsters. As you recall during our conversations, we expect to be filling anywhere from 6 – 8 dumpsters per day so we need you guys to remove those and bring empties. Now would be a good time to start that process.

Let me know your thinking and when we can expect to start seeing a flow of dumpsters.

Thanks.
