**Re: Docket UT-132234, Order 03, Compliance Filing
CenturyLink's San Juan Islands Submarine Cable Inspection Plan**

Dear Mr. Killip:

In compliance with the terms of paragraph F.1 (included below) of the Revised Settlement Agreement between CenturyLink, Staff and Public Counsel, approved by the Commission in its Order 03 in the above-referenced docket, CenturyLink includes in this filing a copy of its annual inspection plans for the San Juan Submarine Facilities.

F. Technical Agreements

CenturyLink agrees to the following inspection and reporting requirements which will expire March 31, 2025:

- 1. By November 30 of each year, CenturyLink will submit annual inspection plans to the Commission for the subsequent calendar year for the San Juan Submarine Facilities. The plans should, at a minimum, specify the location of the facility to be inspected and the frequency and manner in which inspections will be conducted.*

The attached inspection plan was inadvertently omitted from the documents filed on February 1, 2024; and apologize for any confusion and inconvenience this may have caused.

If you have questions regarding this inspection plan, please don't hesitate to call me.

Sincerely,

Peter J. Gose
Regulatory Affairs Director
