Kurt,

I will get with Kasey with some question and get you pricing next week.

Thank you,

Richard,

If my memory serves me right, you mentioned that BDI would be able to haul PCA OCC rejects in a similar manner as Jammies (big truck straight to the landfill). Could you give us a quote for this type of service and BDI handling all of our rejects. I am guessing you will have questions – please direct them to Kasey Markland, she is copied on this email.

Thank you.

Kurt
