PacifiCorp dba Pacific Power & Light Company (PacifiCorp) submits the following replacement tariff sheet under RCW 80.28.060, WAC 480-07-880, and WAC Chapter 480-80 et. seq. to correct one tariff sheet that was inadvertently submitted with incorrect rates in the compliance filing submitted on April 19, 2021.

Second Revision of Sheet No. 93 Schedule 93 Decoupling Revenue Adjustment

The purpose of this filing is to replace the incorrect version of Schedule 93 so that it is consistent with Commission-approved changes that became effective on May 1, 2021. PacifiCorp recently discovered that the clean version from the April 19, 2021 filing did not reflect the correct rates, even though the redline version did reflect the correct rates. This was an inadvertent administrative error that PacifiCorp is correcting now. Customer have been billed the correct, approved rates since the effective date, which was May 1, 2021.
