CREA Data Request 009

**CREA Data Request 009**

Please identify all criteria the Company intends to use to establish Salvage value under the Net Removal Tariff

**Response to CREA Data Request 009**

The Company uses the Retail Construction Management System (RCMS) to calculate the salvage value of each Property Retirement Unit (PRU) that will be removed. RCMS uses a system average to provide the salvage valuation of the PRU entered into the system.
