RE: DO NOT REDOCKET Dockets UE-191024, et al—Compliance Filing—Order 09/07/12 Replacement Tariff Sheets for Schedule 70 and Schedule 73

PacifiCorp dba Pacific Power & Light Company (PacifiCorp) submits the following replacement tariff sheet under RCW 80.28.060, WAC 480-07-880, and WAC Chapter 480-80 et. seq. to correct two tariff sheets that were inadvertently submitted with incorrect information in the compliance filing submitted on December 29, 2020.

First Revision of Sheet No. 70.1	Schedule 70	Renewable Energy Rider – Optional
First Revision of Sheet No. 73.1	Schedule 73	Renewable Energy Rider – Optional Bulk Purchase Option

The purpose of this filing is to replace sheets 70.1 and 73.1 to reflect the changes approved in UE-190874, which were allowed to become effective per the No Action Agenda of the December 19, 2019 Open Meeting. These changes were inadvertently overlooked and incorrectly superseded in the submission of the compliance filing in this docket. Customers have been receiving the correct Blue Sky blocks and have been billed correctly. This is an administrative-only correction and does not affect the program.

Please direct questions to Ariel Son, Regulatory Affairs Manager, at (503) 813-5410.

Sincerely,

 /s/
