Re: Docket No. UT-023055
Request for Approval of Amendments to the Interconnection Agreement
between Qwest Corporation and Washington Phone Company LLP dba The
Washington Phone Company

Dear Ms. Washburn:

In accordance with the Commission's ruling in Docket Nos. UT-960310 and UT-043084, Qwest requests approval of the enclosed QPP Master Services Agreement as an amendment to the Interconnection Agreement between Qwest and Washington Phone Company LLP dba The Washington Phone Company. In requesting such approval of the Master Services Agreement, Qwest does not concede that the agreement is subject to approval under Section 252 of the Telecommunications Act of 1996, and this request is without waiver of Qwest's rights to contest any filing requirement and approval or rejection under that section.

In accordance with WAC 480-07-640, also enclosed is an Amendment for Elimination of UNE-P and Implementation of Batch Hot Cut Process and Discounts and Request for Approval forms, completed per the informal request of Commission Staff on May 12, 2004.

The enclosed Amendments do not discriminate against non-party carriers. They are consistent with state and federal law, and are in the public interest.

Qwest respectfully requests that the Commission approve these Amendments expeditiously.

Sincerely,

Maura E. Peterson
