Description	<p>As part of the proposal for a train platform in Stanwood, Burlington Northern Santa Fe (BNSF) and Washington State Department of Transportation (WSDOT) are proposing the closure of the Logen Road/292nd Street BNSF railroad crossing. I am writing to oppose the closure of the Logen Road crossing. This is an important crossing for local citizens, and needs to remain open.</p> <p>While I have been in favor of the Stanwood train platform, I will oppose it if it means the closure of the Logen Road crossing.</p>
