Re: Mitel NetSolutions, Inc.
Access Tariff Filing
Docket No. UT-051562

Dear Sir or Madam:

Pursuant to the Federal Communications Commission's November 18, 2011 Report and Order and Further Notice of Proposed Rulemaking in WC Docket Nos. 10-90, et al., FCC 11-161 (ICC Reform Order"), requiring the filing of switched access tariffs by all local exchange carriers, competitive local exchange carriers, and competitive access providers, Mitel NetSolutions, Inc., does not currently provide facilities-based services; therefore, no tariff filing is required.

If you have any questions or if I may provide you with additional information, please do not hesitate to contact me. Thank you.

Respectfully submitted,

Janet Willis
